- **Volunteers needed for the Stewarding Team for New Horizon**. Each year, stewards play a vital role in helping New Horizon run safely and smoothly. They are often the first people attendees meet and help create a welcoming environment for everyone who comes along. Their responsibilities include welcoming attendees, assisting with directions, helping manage venues, and supporting the wider stewarding team throughout the week.
  No previous experience is required. All volunteers will be invited to attend a short online training session before the event, where we will explain the role and cover key health and safety information. There will also be some training on Saturday 1st August at the New Horizon site where we will carry out a walkaround of the venues and facilities. We will share some food and prayer together as well. This provides an opportunity to meet the team, become familiar with the site, and prepare for the week ahead.
  If anyone would like to volunteer or find out more, please contact the Stewarding Team at: Stewarding@newhorizon.org.uk or call James on 07539819991.
  New Horizon: 1st - 7th August.
