- PCI have commissioned a safeguarding survey. These surveys are an important part of the data gathering for the independent external review of safeguarding within PCI. It is important for them to receive as many responses as possible from people with a wide range of experiences. We would encourage as many people in the congregation – young and old, men and women, leaders and participants, those with positive experiences and those with negative experiences to fill in a survey. The survey can be accessed at: https://ineqe.com/presbyterian-church-in-ireland/ and closes on Monday 21st September 2026 at 11.30pm.
